

Hi Wayne,

I just wanted to let you know how pleased my wife and I are with the Gutter Glove product and your install team. We are very particular about how our house looks and your team did an outstanding job installing the gutter glove. The gutter glove screens have a very sleek look that improve the look of the gutters that can be seen from our upstairs windows. Even more impressive is watching how well gutter glove works during very hard downpours. They are simply fabulous. I am happy to tell you that having gutter glove installed on my house was one of my best decisions ever.

Best regards,

Brad Topol
